

NARRANDERA

This property can be whatever you want it to be;

- An add-on dryland block for open cropping or grazing.
- A great starter block for a new enterprise or the next generation.
- An irrigation block that can be used for growing crops such as cotton and maize.
- An out block to grow out dairy heifers while producing hay or grain for the dairy.
- A finisher block for sheep or cattle close to major markets.
- An intensive livestock block with a reliable source of water near a major centre.

Ray White Rural Narrandera has the pleasure to offer to the market "Turriff". This double bitumen frontage property is situated on the Newell Highway at Morundah only 30km
